

Wider Community Delivery – East Midlands

CFO delivery in the community can take place at a CFO Activity Hub or through wider community delivery. This may include (but not exhaustive to):

Employability Support
Including access to an employment engagement specialist, vocational training and employment preparation.

Education Support
Support in accessing appropriate education, in line with individual need.

Training Support
Funded training support for vocational aspirations available.

Finance, Benefits and Debt
On-going support, after referral, to a specialist supply chain partner in line with the assessed needs of participants.

Confidence, Resilience and Motivation
Planning, working towards set goals and will celebrate success to drive progress

Improving Personal Skills
Working on life skills, and values through the likes of problem solving, time keeping and taking personal responsibility.

Type of Sessions Available
Sessions will be flexible and held in groups, where possible. 1-2-1s can be facilitated, where necessary.

Signposting
Signposting will take place as identified by the participant and Support Worker, so participants can achieve maximum personal development.
