

# Wider Community Delivery – Kent, Surrey and Sussex

CFO delivery in the community can take place at a CFO Activity Hub or through wider community delivery. This may include (but not exhaustive to):

## **Employability Support**

Support is available from CFO Support Workers and external agencies to increase participants' employability.

## **Education Support**

Education available through supply chain, including online and college courses.

## **Training Support**

Multiple training opportunities available including CSCS training, forklift training and self-employment opportunities.

## **Finance, Benefits and Debt**

Financial support available through supply chain.

## **Confidence, Resilience and Motivation**

Intuitive Thinking Skills, CFO Support Worker engagement, family courses etc.

## **Improving Personal Skills**

Cohort specific groups including young men and women with activities including thinking skills and sports.

## **Type of Sessions Available**

Group and 1-2-1 sessions available with phone support available from supply chain partners.

## **Signposting**

Signposting to substance misuse, health, relationships and debt/finance organisations and more.

Wider community delivery is available from the following locations across the region:

**Guildford**  
**Brighton**  
**Worthing**  
**Maidstone**  
**Sittingbourne**  
**Canterbury**  
**Ashford**
