

Wider Community Delivery – London

CFO delivery in the community can take place at a CFO Activity Hub or through wider community delivery. This may include (but not exhaustive to):

Employability Support
Employability and access to training courses, including industry accreditation moving participants closer to the labour market.

Education Support
Upskilling, career focus, bespoke courses and literacy included.

Training Support
Integrity workshops, stepping stones to success and more available.

Finance, Benefits and Debt
Money management support and more.

Confidence, Resilience and Motivation
Personal development activities including: relationship building, self-worth, future focus, life skills and more.

Improving Personal Skills
Activities including communication skills and techniques, independent living skills and more available.

Type of Sessions Available
Supportive 1-2-1 support and group sessions available.

Signposting
Links to local, mental health, drug and alcohol and mainstream services.

Wider community delivery is available from the following locations across the region:

Lewisham
