

Wider Community Delivery – North East

CFO delivery in the community can take place at a CFO Activity Hub or through wider community delivery. This may include (but not exhaustive to):

Employability Support

Assistance to prepare and construct an up-to-date CV, interview process and strategies and dealing with challenging questions.

Education Support

Support for literacy and numeracy available. Signposting to college and other education where appropriate.

Training Support

Training courses available to participants where appropriate.

Finance, Benefits and Debt

Support available including looking at habits.

Confidence, Resilience and Motivation

Personal development through improved self esteem, confidence building, wellbeing and motivational support.

Improving Personal Skills

Identify communication barriers and techniques to improve communication. Building appropriate relationships with others.

Type of Sessions Available

1-2-1 sessions and group work available where possible.

Signposting

Supporting newly released or new to area. Overcoming barriers and accessing services – obtaining ID, registering with GP, Dentist etc.

Wider community delivery is available from the following locations across the region:

Middlesbrough
South Bank
Redcar
Stockton
Darlington
Newton Aycliffe
Newcastle
Sunderland
South Shields
