

Wider Community Delivery – South West

CFO delivery in the community can take place at a CFO Activity Hub or through wider community delivery. This may include (but not exhaustive to):

Employability Support

Interview preparation, job applications, disclosure, CV writing, communication skills, self employment support.

Education Support

Courses available via Digital College (supported facilitated learning).

Training Support

Industry specific – eg Construction, Hospitality, Transport and more.

Finance, Benefits and Debt

Money, debt and habit support and including overcoming practical barriers such as obtaining ID.

Confidence, Resilience and Motivation

Support through 'My Journey, My Future' toolkit. Self-esteem, confidence building/ motivation support.

Improving Personal Skills

Personal development through improved social and communication skills.

Type of Sessions Available

Support available 1-2-1 or in groups to enable participants to overcome barriers at pace in line with individual journey.

Signposting

Multi agency collaboration and support for participants including 3-way appointments with professionals.
