

Wider Community Delivery – Yorkshire and the Humber

CFO delivery in the community can take place at a CFO Activity Hub or through wider community delivery. This may include (but not exhaustive to):

Employability Support
CV writing, disclosure writing and job application support.

Education Support
Registering with online college courses and non-accredited learning available.

Training Support
Group delivery training sessions including CSCS training available depending on location.

Finance, Benefits and Debt
Support with PIP forms, Universal Credit applications and budgeting workshops

Confidence, Resilience and Motivation
Sessions exploring mental health and wellbeing techniques. Relationship support.

Improving Personal Skills
Independent living skills including support with using public transport, being a carer, personal hygiene etc.

Type of Sessions Available
1-2-1 support and group sessions available. Specific females session available in a safe environment at certain locations.

Signposting
Break down barriers as to why participants are struggling to engage.
